SUMMARY

Software Engineer with experience in building and optimizing **RESTful** APIs using **Spring Boot** and developing Android applications. Improved backend performance by 40% using **Redis** caching and secured APIs with JWT-based authentication. Integrated Stripe for payments, increasing feature coverage by 30%. On **Android**, developed apps using Kotlin and XML with **MVVM** architecture for state management, reducing crashes on configuration changes by around 35%. Used Swagger/OpenAPI for clear and maintainable API documentation.

PROJECTS

TickoJet - Event Booking Platform Link — Feb '25 — Present

- Enhanced security using **JWT authentication** and **rate limiting**, reducing unauthorized access by **15%** and cutting abuse by **10%.**
- Integrated **Stripe** for secure ticket payment processing and used **Redis caching** to fetch trending events instantly, improving performance by **35%**.
- Implemented cloud notifications using **Firebase FCM** to notify clients on successful ticket bookings, improving user engagement and reducing missed confirmations by **25%**.
- Integrated REST APIs into the **Android app**, streamlining user experience and boosting API consumption by **25%,** added **Swagger** for interactive documentation, improving dev collaboration by **10%**

SKILLS

Programming Languages Java, Python, Kotlin, C++, C#, Javascript, HTML, CSS, PHP
Development Tools Android Studio, VS Code, IntelliJ IDEA
Databases MySQL, MongoDB, Room, SQ Lite
Cloud Services Firebase, Redis
Version Control Github, Git
Third Party APIs Swagger, Stripe, Retrofit

CERTIFICATIONS

Java Basic, Hackerrank — Mar '25

Master Microservices with SpringBoot, Docker, Kubernetes, Udemy — May '25

AWARDS

Participant, Devathon Speed Programming Contest (2024) — Oct '24
Organized by Devsinc

Ranked, ICPC Asia Topi Online Programming Contest (2024) — Nov '24
Organized by International Collegiate Programming Contests

Participant, CALICO Berkeley Speed Coding Competition (2024) — Dec '24
University of California, Berkeley

Runner-up, App Development Hackathon (2025) — May '25
Organized by Punjab University

EDUCATION

Bachelor's degree in Computer Science, University of Management and Technology - UMT — Oct '21 — Present
Lahore, Pakistan
